- B. Applewood Communications Corporation may use CPNI for the following purposes:

4. Prior to allowing access to Customers' individually identifiable CPNI to Applewood Communications Corporations' joint venturers or independent contractors, Applewood Communications Corporation will require, in order to safeguard that information, their entry into both confidentiality agreements that ensure compliance with this Statement and shall obtain opt-in consent from a customer prior to disclosing the information. In addition, Applewood Communications Corporation requires all outside Dealers and Agents to acknowledge and certify that they may only use CPNI for the purpose for which that information has been provided.
